

Bring out your inner beauty ...

Great style is, and always has been, a matter of balance. As a woman who has led a demanding life, as a dancer, a model, a wife, a mother and business woman. I've learned how to bring out the best face I show the world. Using the right makeup and knowing how to apply it quickly, and have it last all day, without touching it up, was my secret!

After years in the beauty industry I now enjoy sharing my discoveries and professional secrets with all of you. The products in this mailer are specifically formulated to provide you with everything you need to enhance your own natural beauty.

Marilyn Miglin

NEW! BRIGHTENING COLOR CORRECTING CREAM

This ultra-light, oil-free cream has micro-encapsulated color pigments that adapt to each individual skin tone, for natural-looking coverage. Special ingredients nourish and brighten skin to help correct tone for a luminous and hydrated complexion with youthful vitality. This color correcting formula moisturizes, and helps protect skin with Broad Spectrum SPF 20. 1.1 oz.

FOUNDATION APPLICATION TIPS

When applying foundations remember to first prepare your skin with the treatment it needs.

Always begin with clean skin, and use a toner to balance the chemistry of your skin. C Perfection Alcohol-Free Toner will reward you with smoother skin that is ready to accept moisture, stabilize the color of your foundation and keep your foundation looking fresh all day.
